The Order will commence on 28 June 2018 and will last for a period of 18 months, or until the works are completed, whichever is the earlier. However, it is anticipated that all works will be completed on or before 30 September 2018.

Please Note: The dates as indicated in the schedule are estimated dates and may be subject to change i.e. inclement weather or other mitigating circumstances. All closures will be indicated by signage – advance signage will be in place as appropriate.

Pedestrian access to and egress from properties and land situated adjacent to the length of road to be closed will be maintained at all times. Vehicular access will be maintained where possible.

The Council regrets any inconvenience that may be caused. The team dealing with this Temporary Traffic Order at Warwickshire County Council is County Highways South (Tel: 01926 412515).
