

Please accept our apologies for the mobile Post Office not being available in Alcester Friday 11 May 2018.

We had requested the mobile van attend the town but unfortunately due to a staffing issue affecting the operator of the vehicle he was unable to attend. Unfortunately, the message that the mobile Post Office was not available did not reach me and I was completely unaware and therefore unable to let you know in advance.

Please accept my apologies for the breakdown in communication and the inconvenience caused to our customers in Alcester.

Richard Hall, External Affairs Manager, Post Office
