

# OVERSLEY NEWS

Spring/Summer 2017

## Clearing and litter pick

After the successful clearing and planting along the Old Stratford Road, we are hoping to tidy up along the river bank and at the same time carry out a litter pick around Oversley. This will be on Monday June 26th at 2pm, before the Duck Race takes place on July 8th, so access to the end of the race will be easier. Please look out for notices and come along and help the committee volunteers if you can. Please bring gloves and meet on the bridge.

  
**We  
Need  
Your  
Help  
Please**

## Successful Planting

After a day spent clearing the ground behind the new houses of debris, brambles, old branches and litter, the area was ready for planting. Several types of native hedgerow species that had been purchased along with some donated plants, numbering around 150 in all, were planted by a group of volunteers. All have taken well and are thriving. A big thanks to all who helped on both days.

# AGM

This year the Oversley Green Residents' Association AGM is being held on Monday July 3rd at 7.30pm in the Malt Mill Lane Community Room. All residents are very welcome and it will be your opportunity to air your views, bring up concerns and tell your representatives ideas for future projects. In particular we need your views on the social events we put on. The committee would like to carry on organising the Christmas Carols and Songs but are in two minds about the type of summer event to put on and indeed whether these should be continued. If you can make the meeting that would be lovely, as we need as many residents as possible to contribute. Wine and nibbles or tea, coffee and biscuits will be served. If you wish to send your apologies or suggest an item to be discussed or your ideas aired, then you can telephone the Secretary on 763901. If you would like to join the committee, come along and hear about what's involved.

## Notice of Jumble Sale

This summer is the time to have a sort out. If you have any jumble (clothing) or good quality bric-a-brac we would be happy to take it off your hands, as the committee are running a jumble sale to raise funds on **Saturday September 9th**. If you wish to have it collected, please ring or text Mary on 07780478459. Venue is still to be confirmed—look out for notices to follow.

Would you like your newsletter emailed to you in future?

Then email me at [alex\\_s@dsl.pipex.com](mailto:alex_s@dsl.pipex.com) and I will add you to the distribution list.

### Dates for your diary

*Clearing river bank and litter pick—June 26th 2pm*

*AGM—July 3rd 7.30 pm Malt Mill Lane Community Room*

*Duck Race—July 8th (finishing at Oversley Bridge) from 4pm*

Hopefully we'll all see some warm, sunny weather this summer.
