

# OVERSLEY NEWS

Spring/Summer 2018

## Rabbits and footpaths

Despite the awful myxomatosis outbreak amongst the local rabbit population last year, the numbers are on the rise once more and causing some problems in the Poplar Close area. If the disease does return and you spot a dead rabbit please dispose of it responsibly or ask someone to do it for you.

Also, the OGRA committee are working hard to persuade Warwickshire County Council to repair and reopen the closed footpath in the village which has frustrated many dog owners who used this path on a regular basis and has inconvenienced the many walkers that pass through Oversley Green.

Oversley's cherry tree in bloom

## AGM

This year the Oversley Green Residents' Association AGM is being held on Monday July 2nd at 7.30pm in the Malt Mill Lane Community Room. All residents are very welcome, especially those new to the village, as it will be your opportunity to air your views, bring up concerns and tell your representatives ideas for future projects. If you can make the short meeting that would be lovely; tea, coffee and biscuits will be served.

If you wish to send your apologies or suggest an item to be discussed or your ideas put forward, then you can telephone the Secretary on 763901.

We would welcome new members onto the committee which meets about 5 times a year or any offers of help with events, such as the Open Gardens taking place in July.

Oversley Green

# Open Gardens

Sunday 8th July

12 noon to 5pm

**Tickets £5**  
**on the day at**  
**Bridge House**  
**Oversley Green**
