

ALCESTER TOWN COUNCIL

SAFEGUARDING POLICY

Introduction

Alcester Town Council recognises its responsibilities for the safeguarding of all children and young people under the age 18 and vulnerable adults, over the age of 18, who may be unable to take care of himself or herself, or unable to protect himself or herself against significant harm or exploitation, regardless of gender, ethnicity or ability.

All people have the right to be safe from harm and must be able to live free from fear of abuse, neglect and exploitation and to that end the Town Council adopts this policy that applies to, and must be followed, by all Town Councillors, staff, employees and volunteers (referred to as representatives of the Town Council).

The following principles are those upon which this Safeguarding Policy is based:

- The welfare of a child, young person and a vulnerable adult will always be paramount.
- The welfare of families, the vulnerable and the elderly will be promoted.
- The rights, wishes and feelings of children, young people and their families and vulnerable adults will be respected and listened to.
- Those people in positions of responsibility within the Town Council will work in accordance with the interests of those safeguarded and follow the policy outlined below.

This document is written in accordance with the 'Working Together to Safeguard Children' produced by the Department of Health in 2015 and 'The Care Act' 2016.
