Activity Information

Baby Time: Come along and meet other new parents. Relax, play and socialise with your baby in a friendly, informal environment.

Speech & Language Drop In: No appointment required. Come and discuss your child's speech and language development with our Speech & Language Therapist.

Toddler Time : Come along and join in this fun session with play activities and singing suitable for families with **children 0-2 years** old.

Health Visiting Team Clinic: Talk to a trained health care professional about any family health or developmental concerns and/or get your child weighed. If your child is ill please contact your GP.

Mindfulness Course: A free course offering coping strategies for stress & anxiety

Save a Baby's Life: A "hands-on" course based on first aid for children provided by experience trainers in what to do in an emergency
