

Proposed changes taking place in Warwickshire Libraries, Registration and One Stop Shops as a result of the current Coronavirus situation.

From today (Monday 23 March) the following changes will happen:

In terms of the wider library network, all library sites will be closed to the public, other than five libraries below, which will remain open and serve as a wider council community hub.

One library location has been selected in each district and borough. They are as follows:

- Warwick Library
- Stratford
- Atherstone
- Nuneaton
- Wolston (which may be open extended hours)
