

Alcester Community Resilience

Alcester Community Resilience is a support network that covers the parishes of Alcester, Kinwarton, Arrow & Weethley and Great Alne.

Due to COVID-19 if you find yourself in isolation or finding it difficult to leave your house and you need:

- Supplies, Medication, Help with Dog Walking, Assistance or to just have a chat with someone.

Then the network has a fantastic supply of volunteers who are here to help.

If you have access to the internet then please join our Facebook Page: Alcester Community Resilience, to ask for assistance and for the latest updates.

If you do not have access to our Facebook Page, then please call our Helpline: 07707 598379 where someone will be able to assist.

Please note we are a community response and not a replacement for 999 or 111.

Printing of this flyer was funded by Alcester Town Council

TOGETHER WE CAN
HELP THOSE THAT
NEED OUR SUPPORT
