

# OVERSLEY NEWS

Spring/Summer 2019

## Working party

There will be a working party of committee members and other residents who can spare a couple of hours on Saturday June 15th to tidy up the raised beds and other areas of Oversley, such as the planting behind the new houses on Old Stratford Road that is in need of some attention. It is intended that all who can help meet outside The Gables at 11 am. Thanks if you can help.

Scarecrow Week - see over

The Green this spring

## AGM

This year the Oversley Green Residents' Association AGM is being held on Monday July 1st at 7.30pm in the Malt Mill Lane Community Room. All residents are very welcome, especially those new to the village, as it will be your opportunity to air your views, bring up concerns and tell your representatives ideas for future projects. If you can make the short meeting that would be lovely; tea, coffee and biscuits will be served. If you wish to send your apologies or suggest an item to be discussed or your ideas put forward, then you can telephone the Secretary on 763901.

We would especially welcome new members onto the committee which meets about 5 times a year or any offers of help with events or working parties. The Association is primarily about continuing to make Oversley Green a lovely place to live.

Oversley Green  
**Scarecrow  
Competition**

**Scarecrow Week**

**Saturday 6th -Saturday 13th July**

**Judging on morning of 13th July—  
winners announced at 4:30pm, the Green**

**Dress a wooden spoon  
character competition for  
children. Prizes for every
