

Oversley Wood - thank you from Forestry England

The team at Forestry England would like to offer our thanks to Alcester Town Council and local residents for respecting our staff and signage whilst civil works are undertaken in Oversley Wood. These works are essential in ensuring that access into the woods is always possible.

The informal parking area has now reopened. If you are driving to the woods, please do park sensibly, keeping the gate clear. Be prepared to turn around and come back another time if there is no space. Make sure you follow all the current government guidance on social distancing and travel.

Work will be taking place within the woods until Saturday (19th December), so please do continue to follow all safety instructions.

If you have any questions, please contact: westengland@forestryengland.uk
