LEAD COUNCILLOR REPORT

NAME:	Mark Cargill
TOPIC:	Eric Payne Centre
DATE:	March 2025
	<ul style="list-style-type: none">• Little to report this period. Since the water leak was fixed, running costs have significantly reduced. Income is stable and the facility is being well used• A major clear out of the 'loft' is taking place. New homes have been found for most of the items stored there, some will remain.• The two main rooms have been redecorated giving the centre a fresh look• The new LED lighting has helped reduce running costs.
FUTURE PLANS:	<ul style="list-style-type: none">• Considering an electric vehicle charger point
