

ALCESTER TOWN COUNCIL

LEAD COUNCILLOR REPORT

NAME:	Dougie Gordon
TOPIC:	Open Spaces
DATE:	26/04/2026

<p>UPDATE SINCE LAST REPORT: Nov 2025</p>	<p>Abbey Fields</p>  <p>Well used by walkers, dogs and humans. No litter or rubbish left around.</p> <p>Picnic table in excellent condition.</p> <p>Gate latches at School Road now working.</p> <p>I saw a few butterflies and heard birdsong.</p>
----------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Centenary Field

All benches and other furniture in excellent condition.

**FUTURE
PLANS:**

Could something be done to the land adjacent to the field to make it more attractive. Could it be put to some use?

Westbury Park

**Everything looks in very good condition.
Only one obstruction observed. Branch shown is still attached to a
much larger branch, otherwise I would have moved it.**

Jubilee Fields

All amenities are well used. New fencing is very impressive.

Well maintained benches are a godsend, happy to use them on my survey

Riverside

Footpath is clear. River has been cleared at the far end since last report.

This broken fence is still a bit of a safety issue.
