10/10/2024	24/01242/FUL	Roofspace Solutions, Birmingham Road, Alcester Heath, Alcester B49 5JG	Holding Objection removed on 17/9/25, so NO OBJECTION subject to conditions in EO report being adhered to	25/10/2024	31/10/2024	Planning meeting 21.10.24				Holding objection until we have seen the environmental officer's report on the noise impact on neighbours of the metal preparation area. We remain concerned this may adversely impact the neighbours' amenity. Additional Details notification received on 10 July 2025 re submission of a Noise Report to enable an assessment of the proposed steel preparation area within the yard. Further observations to be submitted by 31 July 2025. Environmental Health Officer's report not yet available. Email to case officer on 16.7.25 from ATC - <i>Alcester Town Council notes the content of the updated Noise Report dated July 2025, submitted on behalf of Roofspace Solutions Ltd, which assesses the proposed steel preparation area within the yard.</i> <i>However, we wish to retain our original submission of HOLDING OBJECTION, until such time as we are in receipt of, and have considered, the Report from the SDC Environmental Health Officer.</i> Case officer responded that she will keep us informed of Environmental Health comments. Case officer sent a report from EH on 12 September 2025 who raised no objections to the steel preparation area subject to strict conditions being adhered to. Planning Committee confirmed over email on 17/9/25 that they were happy to withdraw the holding objection subject to these conditions being adhered to. Same relayed to the case officer on 17/9/25 over email. APPLICATION WITHDRAWN ON 1.6.26

SDC is not satisfied that the reasons given with the application are of sufficient weight to override the amenity disbenefit resulting from a height reduction. The scale of the reduction will have a detrimental impact on the amenity value of the trees and SDC is not satisfied the work can be executed in accordance with the British Standard for works to trees. Further, the defective area on the horse chestnut has not been assessed to establish the extent of decay within the stem in order to justify the height reduction works proposed. The case officer recommended this was the best course of action as the 'objection' is the most important part of the submission. On the case officer's suggestion, I have outlined which element of the application we object to and why and stated which element we have no objection to. The case officer will now liaise with the applicant and agent to see if they will reconsider or split the application. The applicant agreed to remove the roof pergola element of the application. On the basis of the amended application, ATC submitted a NO OBJECTION response (ie first floor bedroom) on 26.6.25.

12/01/2026	25/03113/FUL	James Smiths & Sons Ltd, Unit M2, Seggs Lane, Alcester B49 5HJ	Objection	23/01/2026	02/02/2026	Planning meeting 19.01.2026	Refusal	05/03/2026	Holding objection until clarification of 1. Confirmation of the plans proposed - 9 x 1 bedroom flats; or 8 x 1 bedroom flats and 1 x 2 bedroom house. 2. Overdevelopment - It is considered that the development of 8 or 9 dwellings on this site is overdevelopment. 3. On-site parking provision. There are not enough parking spaces available for the number of dwellings / allocated bedrooms. 4. Visitor parking provision - Parking Survey Methodology carried out at 1am - not representative of parking during the day in town. Therefore rebidding 'any visitor requirements can be achieved through on-street parking, for which the submitted parking assessment demonstrates there is adequate supply.' 5. Provision of EV charging points - referenced but not shown on site plan. On the basis of the above reasons, Alcester Town Council's holding OBJECTION will remain until clarification has been provided and considered. Case officer, Joshua Cooper clarified by email on 30.1.26 that there should be allocation for 12 car parking spaces on the plans. Further to this clarification, KB confirmed ATC's submission of OBJECTION.
